Dan Attached is EPAs redline strikeout of the EW FS Appendix A part 1. Following the EWGs review, please let me know whether the EWG would

- 1) Accept the redlines with Appendix A part 1
- 2) Prefer that Appendix A part 1, be removed from the EW-FS

Please get back to me by Monday June 11th regarding how the EWG would prefer to proceed with next steps regarding Appendix A.

Thanks

Ravi
